Child and Adult Care Food Program

The Child and Adult Care Food Program (CACFP) provides reimbursements to institutions and sponsoring organizations that provide creditable meals to participants enrolled in centers.

Your institution is eligible to participate in this program if you are:

- A public or private nonprofit organization, including sponsoring organizations of unaffiliated centers and head start.
- A private for-profit center in which 25% of the enrolled participants or licensed capacity whichever is less has been documented as low income,
- The center may qualify according to other program regulations.

Child care centers can participate in the Child and Adult Care Food Program either independently or through a sponsoring organization that accepts full administrative and financial responsibility for the program. Child care centers can receive CACFP benefits if their participants are:

- Age 12 years or under; or
- Children of migrant workers age 15 or under; or
- Mentally/physically disabled persons, as defined by the State, at any age if the majority of enrollees are age 18 or under; or

Note: All criteria listed above may not apply to your organization.

Federal Requirements

Federal regulations at **7 CFR Part 226** requires institutions participating in the Child and Adult Care Food Program to maintain support documentation for submitted claims.

These regulations can be found at:

<http://www.fns.usda.gov/cacfp/regulations>

Institution and Sponsoring Organizations Responsibilities

Sponsoring Organizations must disperse reimbursements to participating sites within 5 days of receiving payment.

Record Keeping

Institutions who participate in the Child and Adult Care Food Program (CACFP) must maintain records at the sponsor/center location. Sponsoring organizations of affiliated centers and sites are responsible for ensuring that each center or site under the sponsorship is maintaining current month records. Sponsors of Unaffiliated centers and sites must ensure that each center or site maintains copies of at least the previous twelve months records. These records must accurately reflect program operations. Failure to maintain such records will result in the recovery of reimbursement and/or termination from the Program.

An organized system for filing and maintaining records will save time when completing the monthly Report and Claim for Reimbursement. **All monthly records and supporting documentation must be assembled to justify the monthly claim for reimbursement in the institutions or sponsoring organization's main office.** Institutions should assign responsibility for maintaining daily records to specific staff.

The following records are used to justify reimbursement and must be maintained on file for a minimum of 3 years plus the current year:

1. Enrollment Form/Income Applications
2. Membership Roster
3. Attendance Records
4. Record of Meals Served
5. Program Costs Documentation including Receipts, Invoices, Catering Delivery Tickets and Proof of Program Labor.
6. Menus

Failure to maintain any of the records listed above may result in the recovery of reimbursements.
[7 CFR 226.10(d)]

Folder System

The folder system was designed by the State Agency as an effective way of managing the records necessary for reimbursement. All institutions are encouraged to have the following folders for each fiscal year:

1. Permanent Agreement (Transferred from previous to current year)
2. In service Training/Monitor Reviews and Procurement
3. Income Applications/Enrollment Form
4. Monthly folders (October – September) for each month of the federal fiscal year beginning with October. The following items are to be filed monthly in each folder:
 1. Daily Attendance Records
 2. Copy of Membership Roster
 3. CACFP Menu Records (Participant and Infant)
 4. Record of Meals Served (Form 17-9) and/or (Form 17-10) for institutions claiming more than 3 meal services.
 5. Record of Expenditures (17-8)
 6. Food and non-food bills, receipts, invoices (must be original, dated and itemized, and include the store and/or vendor name) and Catering Delivery Tickets.
 7. Personnel Activity Reports and/or Paycheck Stubs

Civil Rights Compliance and Grievance Procedures

The goal of Civil Rights is to ensure that Child Nutrition Program benefits are made available and provided to all eligible individuals without discrimination.

Discrimination is defined as distinguishing a person, or group of people, **either in favor of or against** others intentionally and doing so by neglect or by actions or by lack of actions.

The six protected classes associated with the Child and Adult Care Food Program are race, color, national origin, sex, age and disability.

Responsibilities of Institutions and Sponsoring organizations

USDA regulations outline responsibility regarding civil rights compliance in CACFP.

The areas of compliance are:

1. Public Notification System
2. Data collection,
3. Training and
4. Grievance Procedures.

Compliance Areas

1. Public Notification System (PNS)

a. News Release:

- Effective October 1, 2016 the State Agency will publish the News Release on behalf of the Sponsors. It is no longer a requirement for existing institutions/sponsoring organizations.

b. “And Justice For All” poster

- This poster contains the non-discrimination statement and contact information for filing a civil rights complaint.
- The poster must be displayed in a prominent place in every site and every sponsoring organization office. The main entrance is ideal for placement.
- The poster should be displayed on 11x17 paper if possible. If not, 11x14 is acceptable or 8 1/2x11 as a last resort.
- The poster can be downloaded and printed from:
<http://www.fns.usda.gov/cr/and-justice-all-posters>

c. Non-Discrimination Statement

- The statement in its entirety is required on all materials where the CACFP is referenced such as, but not limited to, promotional literature, parent handbooks and websites.
- The statement can be listed in its entirety on websites or the following hyperlink referenced:
<http://education.ky.gov/federal/SCN/Pages/USDANondiscriminationStatement.aspx>
- Institutions and sponsoring organizations must convey the message of equal opportunity in all photographic and other graphics used to provide program information.

**** The complete Non-Discrimination Statement is displayed below.****

“In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the [USDA Program Discrimination Complaint Form](http://www.ascr.usda.gov/complaint_filing_cust.html), (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

d. Language Barriers/Limited English Proficiency (LEP)

- All institutions must have the capability of providing informational materials in the appropriate translation concerning the availability and nutritional benefits of the Child and Adult Care Food Program, as well as the procedures for filing a discrimination complaint.

**** The link below provides translations for CACFP materials ****

<http://www.fns.usda.gov/documents-available-other-languages>

2. Data Collection

- Ethnic and racial data for each site must be documented annually in the Sponsor Application if an Independent Institution or within the Monitor Review Form if a Sponsoring Organization as part of the initial and renewal process;
- Institutions must maintain 3 years plus current year of the documentation of ethnic and racial data;
- The collection of racial and ethnic data allows institutions and sponsoring organizations, and the state agency to determine how effectively the program is reaching the diversity of a population and if outreach is needed.

****Example from the Sponsor Application is located below. This is the process for collecting ethnic and racial data as documented in the Sponsor Application/Monitor Review Form ****

(1) Geographic Area=Percentage breakdown of eligible population by racial-ethnic category for the elementary school closest to your center. The link to the racial/ethnicity report for KDE schools is on SCN's website.

(2) Program Participants=the number of participants enrolled in the CACFP program at your center.

Institution and Sponsoring Organization In-Service Training Documentation

Child care institutions and sponsoring organizations must conduct and document training with key staff regarding Child and Adult Care Food Program requirements within **four** weeks of attendance at State Agency training. New institutions and sponsoring organizations *must conduct training with key staff within the first four weeks of program participation*. Documentation of the training may be recorded on the IN-SERVICE TRAINING FORM.

7 CFR 226.16 (d) (2-3) states:

“Training on Program duties and responsibilities to key staff from all sponsored facilities prior to the beginning of Program operations. At a minimum, such training must include instruction, appropriate to the level of staff experience and duties, on the program’s meal patterns, meals counts, claim submission and review procedures, record keeping requirements, and the reimbursement system. Attendance by the key staff as defined by the State agency is mandatory:

Additional mandatory training sessions for key staff from all sponsored child care and adult care facilities not less frequently than annually. At a minimum, such training must include instruction, appropriate to the level of staff experience and duties on the programs meal patterns, meal counts, claim submission and review procedures, record keeping requirements, and reimbursement system. Attendance by key staff, as defined by the state agency, is mandatory.”

The Kentucky CACFP State Agency defines “Key Staff” as any staff member with primary responsibility for the operation of the CACFP and/or maintenance of the records that support the monthly claim for reimbursement and compliance with any CACFP requirement. This includes staff members who have monitoring responsibilities along with staff, volunteers or contractors.

In addition to the mandatory Civil Rights Training, the State Agency recommends discussing the following topics during staff training:

1. Civil Rights Compliance (**MANDATORY**),
2. Meal pattern requirements (necessary food components and proper portion sizes to be served at each meal as illustrated on the Food Chart),
3. Meal counts (requirement that staff conduct the meal count at the time of each meal service and document the number of meals served on Record of Meals Served Form 17-9),
4. For those institutions approved for more than 3 meal services, Record of Meals Served Form 17-10 will be used daily to record the names of the children and to indicate which meals they consumed. Facilities may only claim two meals and one snack or two snacks and one meal per child per day. The Form 17-9 will be used to consolidate all daily meal service totals for claim submission,
5. Attendance records,
6. Menus (Participant and Infant),
7. Personnel Activity Reports (for Staff)
8. Other records required by the Child and Adult Care Food Program (CACFP), the United States Department of Agriculture (USDA) and the State Agency.

Ongoing training should be conducted and documented as the institution hires new staff throughout the fiscal year. New staff must be trained within the 1st week of employment. Remember to always have new staff members document attendance of training with signature. Remember the In-Service Training Form may be used to document when training is completed. The trainer must provide a signature and date for all new staff trained throughout the year.

Any staff conducting in-service training must have completed training on CACFP policies and procedures.

A Civil Rights Training Video is available on the State Agency Website.

There are 3 methods of procurement:

Micro-Purchase:

Used when single purchase transactions are equal to or less than \$3,500 and the annual aggregate total of all transactions does not exceed \$150,000. The following requirements must be met:

- Micro-purchases may be made without soliciting competitive quotes if the sponsor considers the price to be reasonable
- To the extent practicable, the sponsor must distribute micro-purchases equitably among suppliers
- The sponsor must maintain all receipts/invoices

Small Purchase

Used when single purchase transactions are between \$3,501 and \$149,999. The following requirements must be met:

- Price quotations must be obtained from at least three qualified suppliers
- The sponsor must maintain written documentation of the quotes
- The sponsor must maintain all receipts/invoices

Formal Bid

Used when single purchase transactions or the annual aggregate total of all transactions or contracts are equal to or greater than \$150,000. The following requirements must be met:

- Invitation for Bid (IFB) or Request for Proposal (RFP)
- Contact the State Agency for assistance

Micro-Purchase – Procurement by micro-purchase is the acquisition of supplies or services, of which the aggregate dollar amount is equal to or less than \$3,500. To the extent practicable the institution must distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be made without soliciting competitive quotations if the institution considers the price to be reasonable.

Small Purchase Procedures- If you're utilizing this procedure, you must:

- Obtain an adequate number (three) of written price quotations from qualified suppliers;
- Maintain a written record of the quotations obtained;
- Notify the Department of Education (DOE) before granting a contract if a FSMC is not awarded to the lowest bidder. Please call this office immediately and then confirm it in writing; and
- Save all documentation.

Formal Bid- Contracts or purchases of an item or items normally purchased together costing in the aggregate of \$150,000 or more must use the competitive sealed bids (formal advertising). Contact the State Agency if this applies.

Small Purchase/Informal Procurement

(Documenting quotes from qualified suppliers)

To meet the requirements for small purchase/informal procurement, such as those items purchased from a grocery, retail store or vendor, the State Agency requires annual quotes from at least 3 qualified suppliers. Sponsors will document in writing at least three separate, but similar, quotes on the cost of at least 6 items and compare the costs of these items from each supplier. Sponsors are required to select the supplier that has the lowest price unless other circumstances, such as proximity of the store or consistency of quality, impact their decision. This information must be documented on the Small Purchase/Informal Procurement form.

Instructions for Completing the Small Purchase/Informal Procurement Form

1. Record the date of procurement.
2. List 6 most commonly purchased items.
3. List 3 qualified suppliers.
4. List the prices of the 6 items at each of the suppliers.
5. Choose the supplier from which the items will be purchased.
6. If the supplier chosen doesn't offer the lowest price, explain why the supplier was chosen (location, options, etc.).
7. File the form in the CACFP folder labeled "Procurement".

Documentation for Small Purchase/Informal Procurement

Used if single transaction is \$3,501-\$149,999.

Once eligibility has been determined using the Income **Eligibility Guidelines**, mark **Free, Reduced** or **Paid** Meals.
3. Once eligibility has been determined, sign and date the form and record the participant's name (Last, First) and eligibility (Free, Reduced, Paid) on the Membership Roster.

Under the CACFP regulations, the center may NOT charge you a separate fee for meals that are claimed for reimbursement.

We use the meal pattern below, which was developed by the USDA for centers participating in the CACFP. The type and amount of foods served vary according to the age of the infant. However, the actual foods we provide will be based on what you tell us about your baby's own food needs.

MEMBERSHIP ROSTER OF PARTICIPANTS

Institutions must be able to identify each month's total number of participants and eligibility determination.

Each institution under a sponsoring organization is encouraged to maintain a separate Membership Roster.

The Membership Roster should include the following:

- The names of all participants enrolled and in attendance at the beginning of each new federal fiscal year (October 1) must be recorded on the Membership Roster. Names are added as new participants join the program. Additional pages may be attached as necessary. The Membership Roster may be completed by hand, or kept as an electronic document. If an electronic document is kept, a paper copy must be printed off at the end of each month and placed in the monthly folder.
- Institutions must ensure that participants' eligibility classification is correctly recorded under the Eligibility portion of the Membership Roster (Free, Reduced or Paid).
- The Membership Roster should accurately reflect the number of those enrolled at the center for each month.
- Membership reported monthly is determined from the actual attendance records. If a participant has been in attendance one day or a portion of that day **and has a current, complete Enrollment Form/Income Application**, they are counted in the sponsor's membership for the month. An F, R, or P is recorded in the participant's monthly attendance column on the Membership Roster under the correct month.
- The Membership Roster should be cross-referenced monthly with attendance records, Enrollment Form/Income Applications to ensure that only those participants in attendance with a current and complete Enrollment Form/Income Application each month are claimed in the membership counts.
- After membership is calculated for the month, the Membership Roster is copied and placed in the monthly folder. The original is placed in the next month's folder. If an electronic Membership Roster is kept, a paper copy must be printed off and kept in the monthly folder.

CACFP Instructions for completing the Membership Roster

1. Fill in the information regarding the Center, Month/Year and Sponsor.
2. Organize Enrollment Forms/Income Applications in alphabetical order by last name. (Some centers chose to use multiple Membership Roster forms and separate their forms by classrooms, age ranges, and by the letter their last name begins with). Place Participant's Name under the Participant Name (Last, First) column. Remember to use their full name (no nicknames) as it appears on the Enrollment Form/Income Application.
3. Ensure Enrollment Form/Income Application is complete and then input the date the form was signed by the parent under the appropriate column. Record participant's eligibility (Free (F), Reduced (R) or Paid (P) under the Eligibility column.
4. Using the Daily Attendance Record at the end of the month, determine if the participant was in attendance for at least 1 day during the month. If the participant was in attendance, record the participant's eligibility under the claim month with an F, R or P.
5. Total the number of Free (F) Reduced (R) and Paid (P) participants that were in attendance for the month and record each total at the bottom of the page next to the appropriate letter.
6. Free (F) Reduced (R) and Paid (P) Totals for participants in attendance for the month will be used in order to file the monthly claim.
7. Remember to perform an Edit Check to ensure all participants were in attendance with valid Enrollment Forms/Income Applications and all totals are correct prior to filing the claim.

ATTENDANCE RECORDS

All institutions are required to maintain daily attendance records in order to document an enrolled participant's attendance. (A copy of the Attendance Record Form is on the following page). Daily attendance should be totaled every day and recorded on the Record of Meals Served (17-9) form in the Total Daily Attendance (TDA) column.

However, a computer-generated attendance record is also acceptable. Institutions may design their own form, but it must contain, at a minimum, the information contained on the State Agency form. **Forms designed by the sponsor must be submitted to the State Agency.**

Both the participant's first and last name must be included on the attendance record. **The name must be the same name that appears on the CACFP Enrollment form/Income application and Membership Roster.** Please be aware that **sign-in sheets are a licensing requirement, not a CACFP requirement.** Institutions are encouraged to use the State agency form. Participants who attend the center for any part of the day is considered present that day. For sponsoring organizations, participants who attend more than one center on the same day can be counted only once in attendance.

Failure to maintain attendance records or maintenance of inadequate attendance records will result in the recovery of CACFP reimbursement. Attendance records must be maintained on file for three years plus the current fiscal year.

CACFP Instructions for Completing the Daily Attendance Record

Fill in the Month/Year and Sponsor Information.

1. Using the Membership Roster, record the names of the participants.
2. Take attendance and total columns daily.
3. Place daily attendance totals from the attendance record form on the Record of Meals Served (17-9) form under the column that says, "Total Daily Attend".

**Do not use the Daily Attendance Totals for Meal Count Submissions.*

RECORD OF MEALS SERVED

The Record of Meals Served Form (17-9)/Form (17-10) is the official source of documentation used to verify meal counts.

All institutions must maintain an accurate daily count of meals served to participants. These counts should be divided into age categories. Institutions are encouraged to use the State agency form. **The count must be taken during the meal service and it must total the actual number of meals served. The meal count shall not be taken from attendance records, sign-in sheets, licensed capacity or enrollment.** Institutions may claim reimbursement only for meals served to participants who are enrolled in the program, have attended at least part of a day, and have a **current, completed, signed and dated CACFP Enrollment Form/Income Application on file.**

The Record of Meals Served Form also provides an area to record total daily attendance each day. Daily attendance figures are taken from attendance records and recorded under, "Total Daily Attendance".

After the last meal service on the last serving day of the month, institutions must record the amount of milk that was not served. This number will be recorded in the space provided at the bottom of the next month's Record of Meals Served. This amount will represent milk to be carried over to the Milk Reconciliation Form in the upcoming month.

Attendance records are not the same as the "Record of Meals Served." In some cases, participants may be present at the center, but the individual may not participate during the meal service. Therefore, reimbursement is calculated based on meals actually served, not attendance records.

Institutions are eligible to claim reimbursement for either two meals and one snack per participant per day or one meal and two snacks per participant per day.

Instructions for completing CACFP Record of Meals Served (17-9) form

1. Record Center/Site Name.
2. Record Month/Year and record any carryover milk from the previous month at the bottom of the page.
3. Place number of meals served next to the appropriate date and under the appropriate age range. Add the daily meals for each age group and place in the meal total column.
4. For each meal service, list the number of staff/volunteers that were served meals under the PA (Program Adults) column. This includes staff and/or parents. This column doesn't need to be totaled at the end of the month and is **not** included in the monthly claim for reimbursement.
Do not include these meals in the meal total. **
5. At the end of the day, place total number of participants in attendance under the Total Daily Attendance column. *Reminder, the total number of meals served should never exceed the Total Daily Attendance.*
6. At the end of the month, total all columns for the month and use the information for the monthly claim (total number of meals served for each meal service and total attendance for the month).

MENUS 7 CFR 226.15 (e) 10

All institutions are required to keep Menu Records. Menus function as an important tool because menus help ensure that centers meet proper meal pattern requirements. Menus also report which foods are prepared and served to participants. Therefore, Menus help support food purchases and costs. When listing food items served on Menu Records, be very specific as to the type (i.e. fresh pineapple, canned pineapple tidbits or pineapple slices) and date served. Foods on the menus will be cross referenced with the purchases on food receipts and invoices. The Food Buying Guide will be a necessary and important reference tool during meal planning and preparations. Institutions are responsible for purchasing and preparing adequate amounts of each component for the number of children being claimed during the meal service.

It is the responsibility of the center/sponsor to ensure that meals meet minimum requirements as to meal components and portion sizes per participant. In addition, the institution or sponsoring organization should provide additional training to the cook in the use of the Food Buying Guide and the Food Crediting Guide.

The USDA Food Crediting guide and Food Buying Guide instructs institutions in regards to what foods are creditable and how much should be purchased/prepared for reimbursement in the CACFP. These guides may be found online at:

Food Crediting Guide:

<https://education.ky.gov/federal/SCN/Pages/NUTRITION-RESOURCES.aspx>

Food Buying Guide:

<http://fbg.nfsmi.org/>

For catered meals, please see the Catering Guidance Handbook:

<http://education.ky.gov/federal/SCN/Pages/Catering-Resources.aspx>

In accordance with FNS Policy Memo CACFP 20-2011, child care centers participating in CACFP shall make potable water available to children throughout the day, including meal times. Water should be made available to children upon request, but does not have to be available to children self-serve.

Menus must be available, complete and support food purchases. Otherwise the meals will be recovered.

Field trips are allowed. The following items need to be addressed:

1. Check with the local health department and licensure to ensure they are okay with the field trip plan.
2. Notify the Sponsoring Organization or KDE (whichever is appropriate) in writing (email) that the children will be out of the center for that meal (dates and times).
3. Change the menu to reflect any changes in the meal being served on the field trip
4. Keep proper documentation such as meals counts.

INFANT DAILY MENU

- One type of formula must be offered by the institution.
- Only iron fortified infant cereal is creditable.
 - **7 CFR 226.20 states:**

*“**Infant cereal** means any iron-fortified dry cereal specifically formulated for and generally recognized as cereal for infants that is routinely mixed with breast milk or iron-fortified infant formula prior to consumption.*

***Infant formula** means any iron-fortified formula intended for dietary use solely as a food for normal, healthy infants: excluding those formulas specifically formulated for infants with inborn errors of metabolism or digestive or absorptive problems. Infant formula as served, must be in liquid state at recommended dilution.”*

- Institutions cannot **require** parents/caregivers to supply infant formula or food.
- Parents/Guardians may provide only one creditable food component in order for the meal service to be claimed for infants 6-11 months old. Remaining components when applicable must be purchased and provided by the institution.
- Infant feeding times vary depending on the age and development of the child.
- Meat sticks or "finger sticks" (which look like miniature hot dogs) are not reimbursable as a meat/meat alternate in the Infant Meal Pattern because they could present a choking risk.
- Combination dinners (jarred turkey and rice, etc.) are not creditable.
- Commercial fish sticks, other commercial breaded or battered fish or seafood products, canned fish with bones, hot dogs, and sausages are not creditable for infants under 12 months of age.

As you know, infant meal patterns vary according to the age of the infants. You should ensure that each age group is receiving all required components

Refer to the infant meal pattern for required components for each meal.

0-½ slice bread^{3,4}; **or** 0-2 crackers^{3,7}; **or** 0-4 tablespoons infant cereal^{2,3,7} **or** ready-to-eat breakfast cereal^{3,5,7,8}

0-2 tablespoons vegetable **or** fruit, **or** a combination of both^{5,6}

1 Breastmilk or formula, or portions of both, must be served; however, it is recommended that breastmilk be served in place of formula from birth through 11 months. For some breastfed infants who regularly consume less than the minimum amount of breastmilk per feeding, a serving of less than the minimum amount of breastmilk may be offered, with additional breastmilk offered at a later time if the infant will consume more.

2 Infant formula and dry infant cereal must be iron-fortified.

4 Yogurt must contain no more than 23 grams of total sugars per 6 ounces.

5 A serving of this component is required when the infant is developmentally ready to accept it.

6 Fruit and vegetable juices must not be served.

7 A serving of grains must be whole grain-rich, enriched meal, or enriched flour.

8 Breakfast cereals must contain no more than 6 grams of sugar per dry ounce (no more than 21 grams sucrose and other sugars per 100 grams of dry cereal).

Updated Meal Pattern Requirements for Infants

Encourage and support breastfeeding

- In addition to serving expressed breastmilk provided by a parent or guardian, providers may also receive reimbursement for meals when a breastfeeding mother comes to the child care setting and directly breastfeeds her infant. There are no age restrictions for breastfeeding or serving breastmilk for infants and children.
- Only breastmilk and infant formula are served to infants, birth through the end of 5 months, as developmentally appropriate.

Developmentally appropriate meals

- There are now two age groups, instead of three: birth through the end of 5 months and 6 months through the end of 11 months.
- Solid foods are gradually introduced around 6 months, as developmentally appropriate.

More nutritious meals

- The updated meal pattern requirements:
- Requires a vegetable or fruit, or both, to be served at snack for infants 6 through 11 months
- No longer allows juice, or cheese food or cheese spread to be served
- Allows ready-to-eat cereals for snack only

Parents/Guardians may provide only one creditable food component in order for the meal service to be claimed.

PROGRAM COSTS DOCUMENTATION

Every institution that participates in the CACFP must demonstrate the operation of a non-profit food service program. **As provided by USDA's Financial Management-Child and Adult Care Food Program Food and Nutrition Service (FNS) Instruction 796-2, Revision 4, all institutions must operate a non-profit food service in which all CACFP meal payments are expended for allowable costs. This means that ALL of the money you receive in CACFP reimbursement MUST be used ONLY in the food service operation. All CACFP records must be maintained on file for three years plus the current year.**

The following are examples only and are not intended to be a complete guide as to how CACFP funds may or may not be spent. Refer to the FNS Instruction 796-2, Rev. 3 or contact the State Agency if you have questions about allowable expenses.

Food and Milk Documentation

Allowable Costs: price of purchased foods referenced to menus, invoices, a food service management company or caterer.

Not Allowable: value of donated foods; cost of food lost as a result of fire, water, spoilage or other contamination in excess of \$100; fast food, personal groceries or items such as cigarettes, soda, dog food, etc.

Minimum Records that Support Cost of Food & Milk Used

- a. Invoices, bills, receipts (all food receipts used to document costs to the CACFP must be original, dated, itemized, and include the name of the store where the food was purchased);
- b. Canceled checks;
- c. Food inventory records;
- d. Records of cash discounts and other credits when they are not shown on purchase orders and/or invoices;
- e. Menus (Participant and Infant);
- f. Invoices from the food management company, caterer or school (reported as cost of food used);
- g. Daily delivery tickets that include components served, as well as the name of the catering source, date, number of meals ordered and number of meals delivered. These also must be signed and dated by vendor staff delivering meals and sponsor staff receiving meals.

These tickets should be compared to the monthly invoice received from the vendor to ensure that the sponsor was charged for the correct number of meals ordered.

Non Food Cost Documentation

Allowable Costs: Examples are: paper goods (napkins, straws, cups, etc.), cleaning supplies for kitchen and dining room.

Not Allowable: Examples are: general day care supplies or arts/crafts projects, toys, games, videos, laundry and general cleaning supplies not used in the food service area.

- c. Bank statements.

Note: Canceled checks and bank statements will be used only to verify payment of original receipts, and cannot be used as the only source of documentation.

If non-food items are used as part of the meal service (i.e. paper products, plastic silverware, kitchen cleaning supplies, eating area cleaning supplies, etc.) the total amount can be claimed. If only a portion of the product purchased is used for the food program (i.e. trash bags, paper towels), then only half of the cost and tax can be claimed. Non-food items purchased for day care use only (i.e. toilet paper, Kleenex) cannot be included in program costs.

Tax may be claimed for non-food items under “Non-Food” on the Record of Expenditures, Form 17-8.

These must be signed and dated by employee at the end of the month. The PAR must be signed and dated by the employee’s supervisor. The PAR must be maintained in the monthly folders.

RECORD OF CACFP PROGRAM EXPENDITURES FOR THE MONTH FORM 17-8

The Record of CACFP Program Expenditures for the Month (Form 17-8) is the form that institutions use to record all of the expenses that are used to justify the reimbursement for the month. Institutions will keep this form, along with all receipts and the menu record, in the corresponding monthly folder. Every month, institutions may use the calculations from their monthly 17-8 form to record their program costs on the Justification for Reimbursement form. Institutions can use the Justification for Reimbursement Form to record their yearly expenses in the ACQR (Actual Cost Quarterly Report) in CNIPS.

The Record of Expenditures form may be completed throughout the month or at the end of the month as long as the form is complete before the claim is submitted.

Recording the quantity of milk purchased on the Record of Expenditures form will assist in completing the monthly milk reconciliation. The milk reconciliation determines whether or not enough milk has been served and/or purchased to meet meal pattern requirements.

CACFP Instruction for Completing the Record of Expenditures (17-8) Form

1. List the Month, Sponsoring Organization, Center and CNIPS Number.
2. Record the date, name of store/Food Management Company, Food, Quantity of Milk purchased (in gallons) and any Non Food Expenses (chronological order) as purchases are made.
3. At the end of the month, place information from all Personnel Activity Reports at the bottom of the form. The employee's name should be listed above the totals row and expenses for payroll under the Program Labor column.
4. If Program Administrative Costs are claimed write, "Program Administrative Costs" under the, "Name of Store, Vendor, Food Management Company or Program Labor" heading and record the total from the, "Record of Administrative Costs for the Month" worksheet under the, "Program Admin Cost" heading.
5. Total all columns and record information in the Justification for CACFP Reimbursement Form which will later be used to complete the Actual Cost Quarterly Report (ACQR).
6. File completed form in the monthly CACFP folder.

Actual Costs Quarterly Reporting

ACQR (Actual Costs Quarterly Reporting) and Justification for Reimbursement

FNS 796-2 Revision 3 requires that all institutions show fiscal integrity and accountability for all funds received from the Child and Adult Care Food Program. All expenses incurred as program expenses must be approved and funds must be used for authorized program expenses only.

In order to justify the reimbursement received, the State Agency requires that all institutions report their actual costs. The State Agency will review the costs to ensure that institutions are being fiscally responsible with CACFP funds.

There are 3 options for reporting actual costs:

1. Institutions which have been completing the quarterly ACQR Report in CNIPS can continue to do so. If reporting quarterly, the ACQR is to be completed by January 31st for the first quarter, April 30th for the second quarter, July 31st for the third quarter, and October 31st for fourth quarter. The ACQR can be completed in CNIPS at <https://cnips.education.ky.gov/cnips/>
2. Institutions can submit a one-time, annual ACQR in CNIPS by combining the costs for all of the months (Oct – Sept) and recording the totals in just one section of the ACQR (Due annually by October 20th).
3. Institutions can complete the electronic or paper version of the “Justification for CACFP Reimbursement” form which can be found on the State Agency website and submit it to their CACFP consultant by October 20th.

Institutions must complete at least one of these options each year. Not doing so will result in a review.

An ACQR Training Presentation is available on the State Agency website:

Pre-Approval Site Request/Visit Form

Sponsoring Organizations requesting to add sites to the existing CNIPS Application are required to complete a Pre-Approval Visit/Site Request Form. The form must be submitted to the State agency staff assigned to the CNIPS application.

Once the Site Request has been accepted, the State agency will establish a CNIPS Site Application to be completed and submitted for approval by the institution.

If acceptable, the State Agency will approve the Site Application and the Site may then begin to claim the approved meals in the month in which the site application was approved.

Monitor Reviews

(For Sponsoring Organizations with more than one site)

Monitoring sponsored centers for compliance with CACFP regulations is an important responsibility of Sponsoring Organizations. Sponsoring Organizations can also use monitor reviews to provide technical assistance when needed.

Monitor Review Checklist:

- ✓ **3 reviews conducted each Fiscal year**
- ✓ **2 reviews must be unannounced**
- ✓ **Time between Reviews must not be more than 6 months (i.e. Oct., Feb., June)**
- ✓ **A meal service must be observed for at least 1 review**
- ✓ **Must ensure that review time is varied:**

A meal service must be observed during at least one of the monitor reviews conducted during the year. In accordance with USDA FNS Policy Memo CACFP 16-2011, sponsoring organizations must ensure that the timing of unannounced reviews is unpredictable. For example, unannounced reviews that always occur during the third week of January, third week of May, and third week of September are predictable. The review schedule should be varied enough that facilities staff are unable to anticipate the date/timing of the review.

A copy of the Monitor Review form may be found on the State agency website:
